In all these curriculum areas it is important to discuss with your child what they have been doing and use any available opportunity to support and extend their learning. It is also important for the progress and development of your child, that they should have any necessary equipment, kit or homework in school for the appropriate lesson. These are the days on which your child needs particular items of kit, etc., in school and the days on which homework is given out. They are required to do spellings and read every day plus other homework once a week. Spelling tests will take place on a Thursday.
