

## St Edmund's Catholic Primary School September 2013

### Use of Primary School PE and Sport Funding 2013-2014

#### Background

The Government is providing funding of £150 million per annum for academic years 2013/14 and 2014/15 to provide new, substantial primary school sport funding'. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools.

#### Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

#### Our School

In 2013-14 St Edmund's Catholic Primary School has received **£9000** for School PE and Sport Funding. All pupils from Y1-6 will benefit from this funding, this may change as the year progresses.

*The table below shows how we intend to spend the sports funding during 2013-2014.*
