

Dear Parents,

Go Green – Win Limitless – Take Part in the Surrey Family Plastic Challenge!

Would your family like to help beat plastic pollution, win Odeon Limitless membership to watch movies all year and help our school win a prestigious eco-award this summer holiday? Our school is promoting the [Surrey Family Plastic Challenge 2019](https://www.wastebuster.co.uk/Challenge/Parent) (1st July-30th August) to promote care for the environment, give children a fun learning activity, and help everybody recycle plastics more easily, in Surrey.

It's easy to take part!

Simply [register](https://www.wastebuster.co.uk/Register/Parent), (<https://www.wastebuster.co.uk/Register/Parent>) watch the short movie with the charming and popular Wastebuster curmudgeon, 'Roach', play the fun challenge quiz and pledge to recycle plastics.

Win Limitless

Parents/ guardians that [pledge to recycle plastics](#), to help Captain Busta reach his target of 1,000, will enter a prize draw for a chance to win an Odeon Limitless membership - to watch movies all year.

Other prizes are perfect for little eco-warriors and include Captain Busta mascot plush toys made from 5 recycled plastic bottles, Wastebuster Top Trumps and more.

That's not all...

If families pledge and select our school, we will earn a Surrey Wastebuster Community Engagement Award.

So, there is nothing to lose, a planet to protect from plastic pollution and an award to gain.

Parents can be heroes in the war against plastic pollution. Help us make a difference by being better together.

Many thanks
