

Art and Design Club

Dear Parent

I Create Art

is open to both boys and girls and aims to inspire, empower, raise artistic awareness and boost self esteem by developing lasting skills through observation, practice and creativity.

“Imagination is more important than knowledge” - Albert Einstein

Through projects, either themed or open-ended but always aimed at supporting the children’s creative growth, the club runs artist-led classes in drawing, painting, textiles, sculpture and printmaking. Problem solving, critical thinking, decision making and language skills form an integral part of the children’s learning and a supportive atmosphere enables a holistic approach to art in every aspect where the children are encouraged to develop creative ideas through their own individual enquiry.

Term Fees:
Day: WEDNESDAY
For: Y3, Y4, Y5, Y6
Dates: 6,14,20,27 November
4th December
Duration:1h15min
All art materials & equipment is provided.
Cost:40 pounds

Objectives / Vision

- Create a supportive environment for the children’s artistic development
- Provide classes in drawing, painting, model making, textiles, sculpture and printmaking
- Select the starting level that best suits the learner
- Emphasis on developing lasting skills through observation and practice without stifling creativity
- Raise self-awareness, self-expression and self-confidence
- Raise language skills around artistic work
- Produce excellent quality artwork for exhibitions, displays and for the children to take home
