

St Edmund's Catholic Primary School

Use of Primary School PE and Sport Funding 2019-20

Background

The Government has been providing funding of £150 million. This funding will now continue until 2020.

This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools. Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January each year.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs
- pooling the additional funding with that of other local schools.

In 2018/19 St Edmund's Catholic Primary School received **£17,790** for School PE and Sport Funding. All pupils from Y1-6 will benefit from this funding.

Accountability

Since September 2013, schools have been held to account over how they spend their additional, ring-fenced funding. Ofsted has strengthened the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

P.E. Curriculum Developing and maintaining a healthy lifestyle is a key priority in school. While lots of our children already belong to after school clubs that involve physical activity, there are some children that do not participate regularly in physical activities outside of school. At St Edmund's we aim to develop the best possible learning opportunities for all our children through improved provision in PE lessons, competitions and tournaments and access to a range of extra-curricular clubs.

The table below shows how we intend to spend the sports funding during 2019-20

Activities selected	What this does?	Targeted Pupils	Cost	Impact
Specialist Sports Coaches	Specialist training for year groups through PE cover	Years 1,2 5 and 6	£8920	Sports activities by skilled Planet Education coaches. Children benefit from expert teachers. Teachers CPD.
Specialist Sports Coaches	Change for Life club and Playmaker Award Year 5	Whole school and Year 5	£ 600	
Improving facilities	Markings for playground, trim trails. New equipment. Matches hosted at school and children can use the improved facilities for enhanced training opportunities.	Years R - 6	£3000	Improved facilities encourage exercise and activity.
Field Hire/ event training	As we have no field we hire the field at a local school for weekly PE lessons, clubs and sports day.	All year groups	£500	Improved facilities give wider opportunities to participate in events.
Swimming	Funds allocated to support participation in swimming lessons.	Year 3	£1000	Improved skills and confidence.
Transport to sports events	Coaches for taking teams to events and competitions	All year groups	£550	Increase participation in off-site events
Confederation Sports coordinators	Link to local schools providing competitions, workshops and advice	All year groups	£1800	Increase participation in off-site events
Cover for sports teachers	Cover to release sports leaders to enable school to participate in events, tournaments and competitions.	KS 2	£1570	KS1 and KS2 Pupils have access to a wider range of competitions, events and tournaments with local schools.
TOTAL	<i>Please note, that other funding is also used to support these activities</i>		£17,940	

Impact of Spending 2018/19
