What do you like most about school?

I like learning things I've never known before.

Spending time with friends.

It's a safe community and I feel happy here all the time.

I like the fact that we cover so much in school and that we learn about very different things. I definitely think I am prepared for secondary school. I like how our assemblies are varied and we celebrate science week, anti-bullying week etc.

School helps me understand what I need to do when I get to my next school.

We have an equal amount of work and play

Year 6 is less stressful with the people in it.

I like how every teacher is kind and caring and will help you.

I like that we have our own opinions and that we work well together as a team. Also the staff at St Edmund's are very loving and have a caring personality.

We are like a family.

The adults and children at St Edmund's are kind and caring and help each other.

The staff are always here to support me.

School trips and PE.

I also enjoy maths and English

The school helps me when I'm struggling and I think the growth mind-set is a big help.

I think that the staff at the school help everyone so they can do well in school.

I like it when the classroom is very quiet

I like learning and trying new things which St Edmund's has provided for me and the growth mind-set.

Break time, lunch and my friends

I like that everyone is caring and thinks about other people

I like hanging out with my friends and all the extra-curricular things we do: dance, netball and football.

I like most how all adults are always looking out for you and they help you to improve your work at school. I also enjoy the activities we do to help us learn.

I learn new things and that I can teach my family.

I always like English and the topic lessons

I like the library because it has lots of interesting books
