

Dear all,

We are at the end of our sixth week of lockdown and fourth school week where we have been open for a few key worker children only. The days are passing quite quickly in school, as we adjust to the new routine.

The children have made a rainbow for the front window of the school, here it is:

They have also been learning, cooking, playing outside avoiding the rain! We are all enjoying seeing the work the children are doing at home, there are some amazing things going on, thank you all. As I have said before, please don't think you have to complete everything, the teachers are giving you lots of activities to enable you to choose things that your child would like to do. Keeping safe, well and happy is the most important thing at this time. We will pick up from where the children are when we eventually get back to school, so please don't worry.

There are so many things out there to do from virtual safaris to reading in space, it's easy to be overwhelmed. Here are some websites that you might like to have a look at:

Keep up with your reading with reading books online: <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

I have been busy too, and as well as other things, I decided to paint a mural for the medical room wall, to brighten it up. I hope you like it!

Look after yourselves and I hope to see you all again soon,
