

LO: To solve
problems using
positional
language.

The fox is _____ to the tree.

The fox is **next to** the tree.

The squirrel is _____ of the tree.

The squirrel is **on top** of the tree.

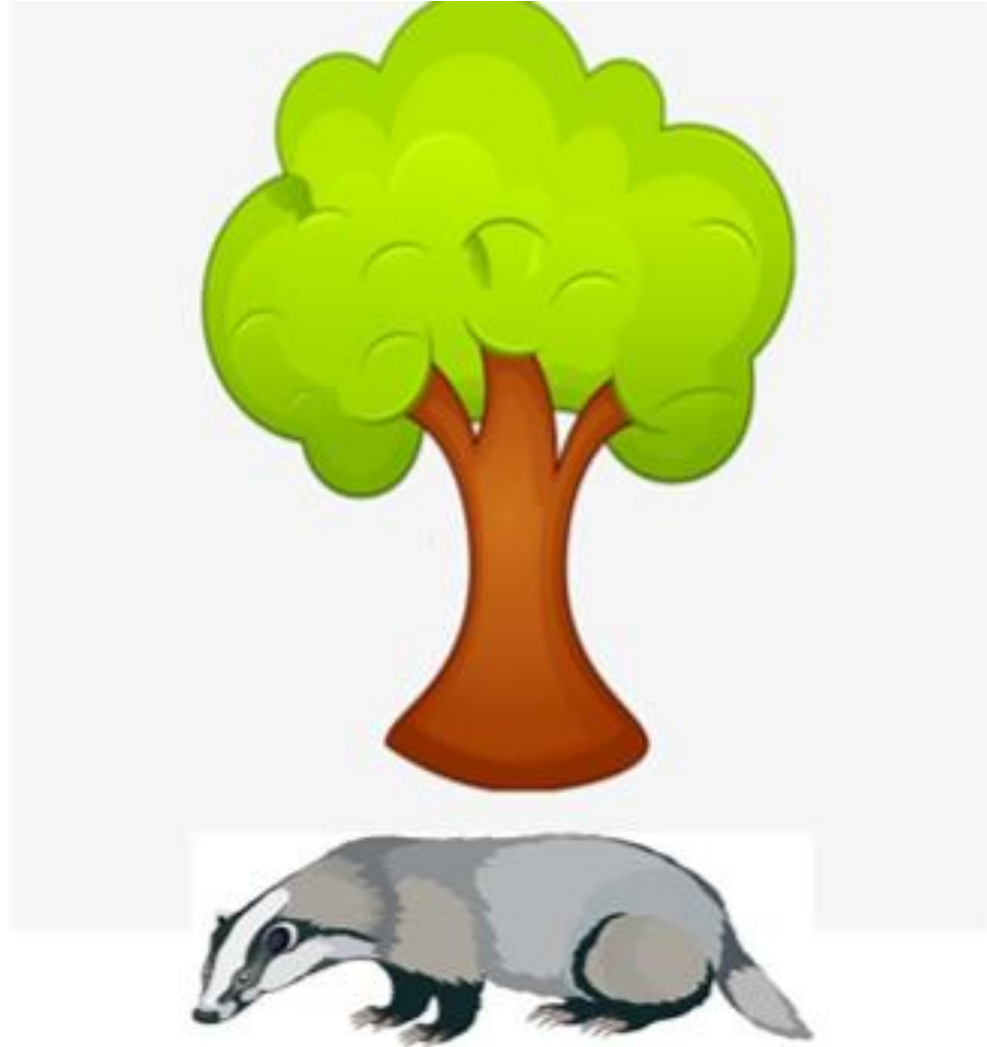

The owl is _____ the tree.

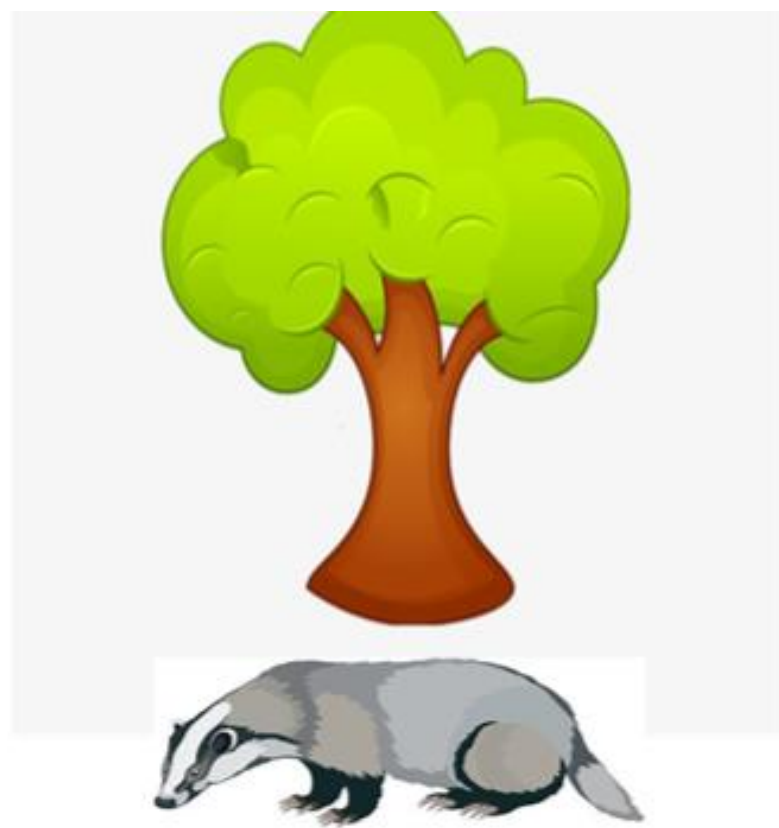

The owl is **above** the tree.

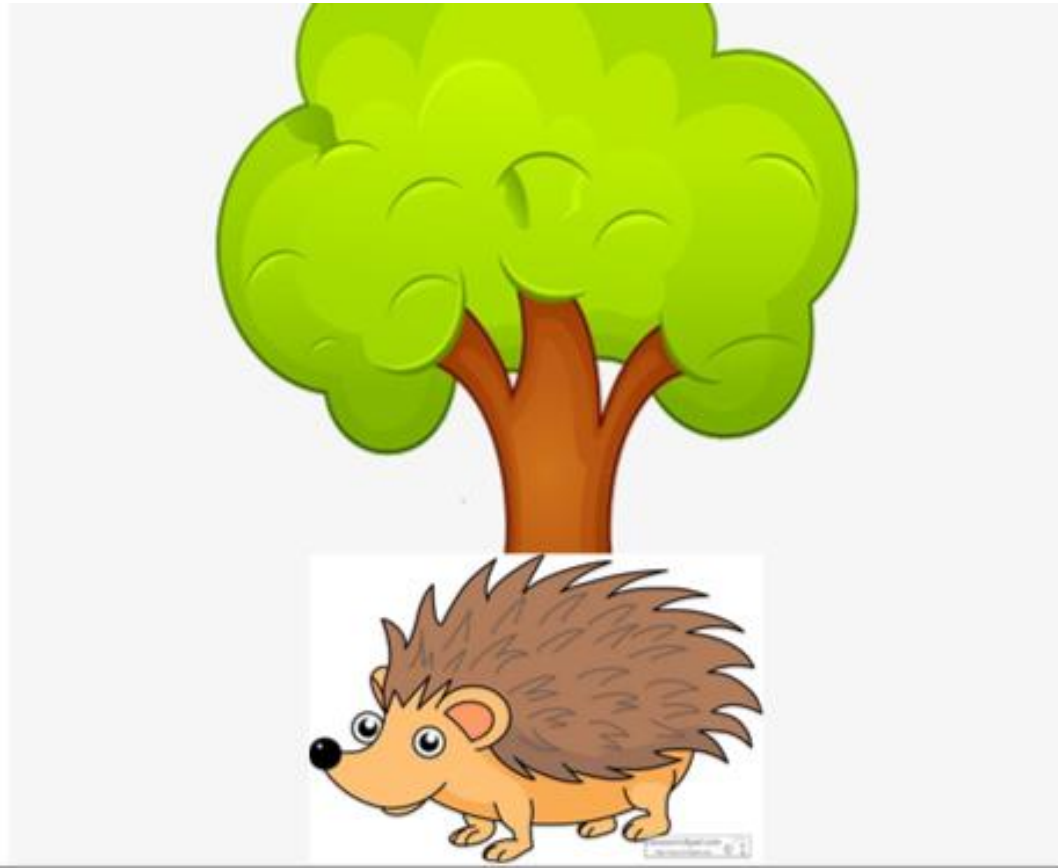

The badger is _____ the tree.

The badger is **under** the tree.

The hedgehog is _____ the tree.

The hedgehog is **in front** of the tree.

Read the instructions and put the fairytale characters in the right order at the bus stop.

Read the instructions carefully.

Remember, you might have to **skip** an instruction and come back to it later. Good luck.
