

LO: To be able to know that
people have individual
characteristics

I want you to pretend that you are a circus performer.

What do you think it would be like to perform as one of these circus acts?

Which parts of the job would you enjoy?
Which parts would you dislike?

What type of skills do you think:

What type of skills do you think:

What type of skills do you think:

What type of skills do you think:

You are going to choose an act you want to be in the circus.

You are going to write out your own CV and then be interviewed for the job later.

Show off your talents!
