Accessibility Plan

St Edmund's is committed to providing an environment that is suitable and sufficient for all educational purposes which values and includes all students, staff, parents and visitors regardless of Special Educational Needs or Disabilities.

St Edmund's is committed to challenging negative attitudes about disability and discrimination and accessibility to ensure we develop a culture of awareness, tolerance and inclusion.

St Edmund's is committed to improving the physical environment of the school, the curriculum within the school and the access of information to all stakeholders with disabilities.

Attached is the action plan relating to the key aspects of accessibility as outlined in the Equality Act 2010 and St Edmund's Equality Policy.

This plan operates alongside the St Edmund's SEND Policy and is consistent with it in terms of principles and resourcing.

The plan will be adjusted and reviewed annually.

St Edmund's acknowledges a role in raising awareness and training staff and governors in all matters related to disability discrimination and the need to inform attitudes on this matter.

St Edmund's website will make reference to this Accessibility Plan.

The Plan will be monitored by the Governing Body or relevant committees to the school.
