## Newsletter 16: Friday 26th January 2024

Dear Parents.

**Year 6 Science** – the children of Year 6 had another really interesting trip to Charterhouse School on Tuesday. Max and Freddie say: "This week, we learned about physics, particularly gravity. We were given an egg and £1; we had to spend the £1 on items (paper, drinking straws, string and Sellotape) we thought would best protect the eggs in the experiments. Most people made a parachute for the egg. Some of us wrapped the egg up in the straws. In the first experiment the egg was attached to a vehicle and we had to design a crumple zone to protect the egg. The vehicle was then set down a ramp, bumping into a barrier (most of the eggs broke). Finally, we dropped more eggs off a roof (see right) using parachutes. We enjoyed it all, and we learned that if you protect an egg well it was possible to stop it from getting broken."

**Pizza collection** – if you have ordered pizza dough from Doughies (PSA), please remember to collect it from the school hall **from 2.30pm today**.

Parent Consultations – we are looking forward to talking to you at our forthcoming video/online Parent Consultations (Monday 5<sup>th</sup> February and Wednesday 7<sup>th</sup> February. Bookings for Parent Consultations will be open from

7.30am on Monday 29th January by following this link: <a href="https://stedmundsprimary.schoolcloud.co.uk/">https://stedmundsprimary.schoolcloud.co.uk/</a>

**World Book Day** – this is advance warning of our World Book Day which will be on Friday 8<sup>th</sup> March. Children may come to school that day dressed as their favourite book character. What a fun day it is going to be, a day which we hope will help children to be encouraged to pick up a book and read.

**Red Mufti Day** – one of our members of staff has a son who has recently had heart surgery. We are inviting you to go red for the British Heart Foundation on **Friday 9**th **February**. All donations will be sent to the British Heart Foundation.

**Stargazing** – we have had a really strong response to this. As we mentioned in our letter, places are limited to 30 families and priority will be given to those who have not yet attended this before. We will let you know next week which families are invited to attend.

**St Edmund's Science Fair** – following our recent email concerning this year's Science Fair, thank you to the many children who have signed up to take part in this. Their projects will be on display in the classrooms after school on Wednesday 28<sup>th</sup> February. Please do come in and have a look at them. Winners will be announced after the half-term holiday.

**Listen again** – this term, at the end of our assembly, we are listening to a different piece of music. So far we have heard <u>Vivaldi's Four Seasons (Winter)</u>, <u>Hedwig's Theme</u> from Harry Potter, <u>Ode to Joy</u> by Beethoven. Over the course of the year, we hope to introduce the children to a wide range of music.

**Anyone for tennis?** – just to mention that Mr Lloyd has plenty of room for children to join his after-school tennis club on Wednesdays. Here's the link to the club information on our website: <a href="https://www.stedmundsschool.co.uk/attachments/download.asp?file=1731&type=pdf">https://www.stedmundsschool.co.uk/attachments/download.asp?file=1731&type=pdf</a>

**Admissions Consultation 2025-2026** – please click <u>here</u> to refer to our mandatory consultation process for the 2025-2026 academic year.

**Headteacher's Blog** – every Friday Mrs Higgins writes about what has been happening in school during the week in her Headteacher's Blog in the website. Have a look every week to keep yourselves up to date by clicking on this link.

**Italian** – this week's Italian phrase, "Come stai?"/ "How are you?" "Sto bene grazie", "I'm fine thank you."
