

Week 2 Overview
W/C 30th March 2020

Dearest Year 6 Children and Parents,

Please see some of the suggested activities and ideas for your learning this week. Remember the most important part of what we are learning together is that even though what we are doing is so different to what we are used to, we are all together in this. Look after yourselves, drink lots of water and enjoy your lovely homemade meals.

Always start your morning with exercise and don't forget to take regular breaks.
