

The Five Senses

Senses are the things that happen in our body to tell us about the world around us. We have 5 senses. Who can tell me what they are?

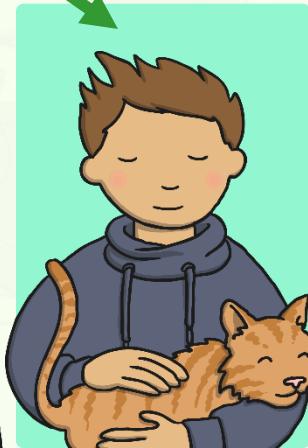

The Five Senses

What are these children doing?

senses

The Five Senses

The girl is **looking**.

She is using her **eyes**.

We call this the sense of **sight**.

The Five Senses

What kind of things do you **look** at?

What do you **see**?

Draw something that you **look** at.

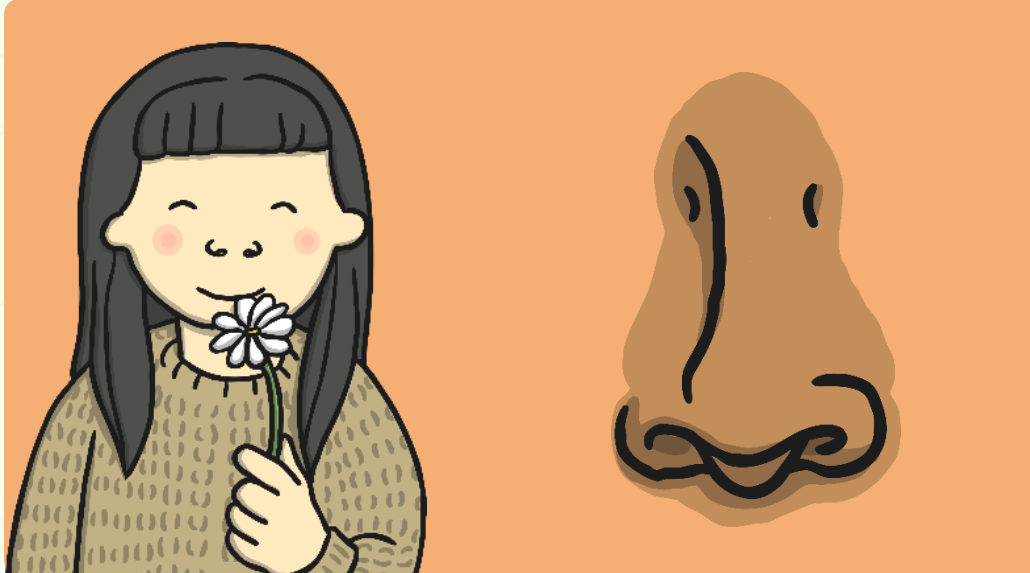

The Five Senses

The girl is **smelling**.

She is using her **nose**.

We call this the sense of **smell**.

The Five Senses

What kind of things do you **smell**?

Draw something that you **smell**.

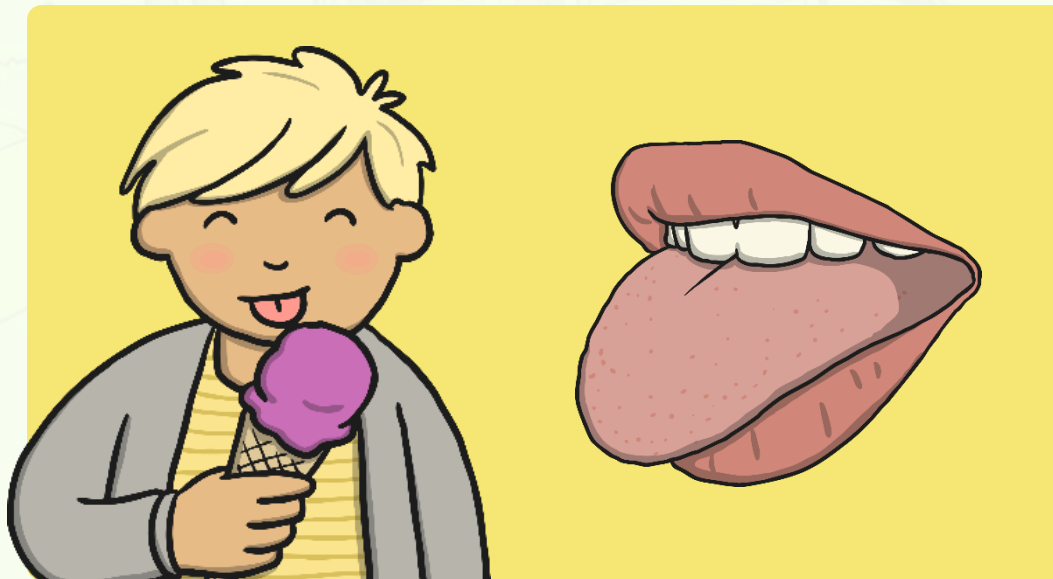

The Five Senses

The boy is **tasting**.

He is using his **tongue**.

We call this the sense of **taste**.

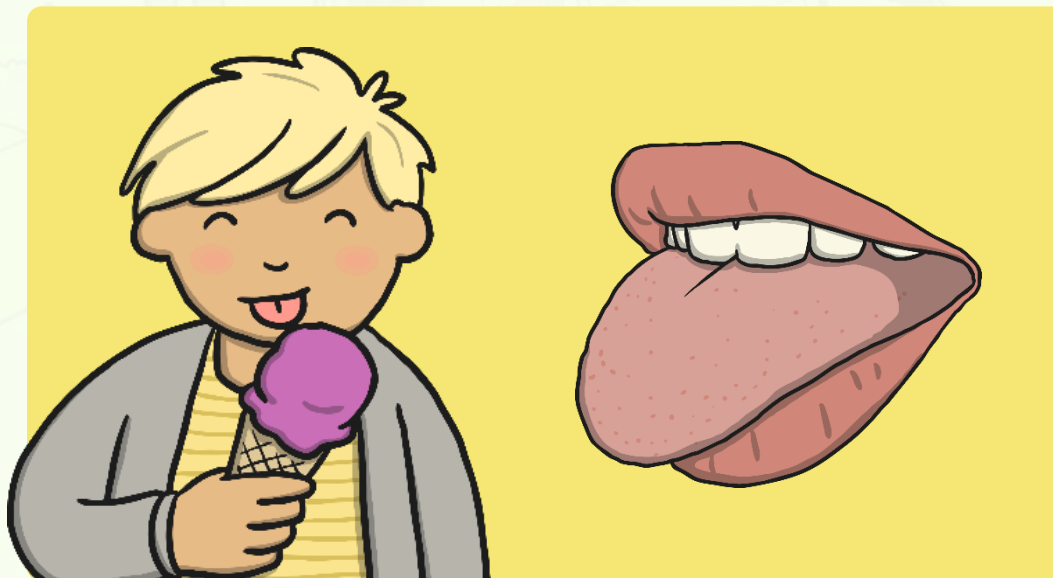

The Five Senses

What kind of things do you **taste**?

Draw something that you **taste**.

The Five Senses

The girl is **hearing**.

She is using her **ears**.

We call this the sense of **sound**.

The Five Senses

What kind of things do you **hear**?

Draw something that you **listen** to.

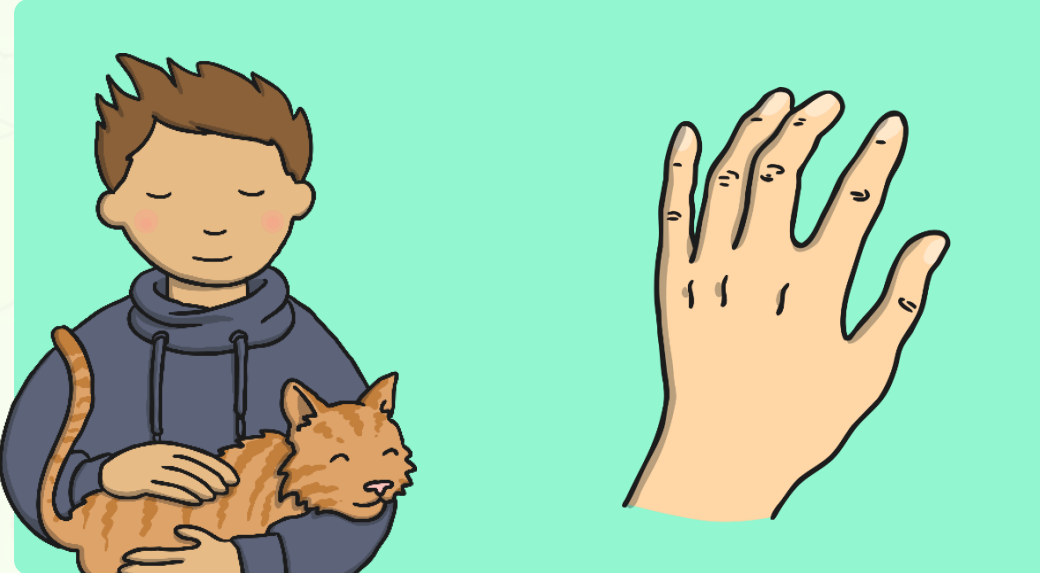

The Five Senses

The boy is **feeling**.

He is using his **fingers**.

We call this the sense of **touch**.

The Five Senses

What kind of things do you **feel**?

Draw something that you **touch**.
