

LO: writing an acrostic
poem.

How would you describe Leaf? What are your favourite parts of the story?

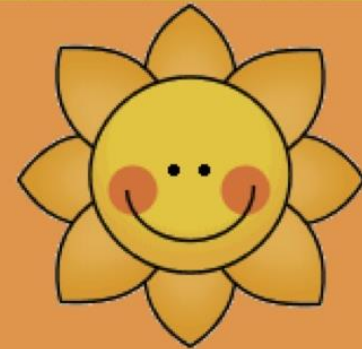

You are going to write an acrostic poem,
describing the story.

REMEMBER: Each letter of **LEAF** is the start
of each sentence.

Sun shines brightly

Up in the sky

Nice and warm on my face

Winter wonderland

Ice is slippery

Nothing is hot

The weather is cold

Everything you touch is cold

Really cold
